With travel a little closer to home still at the forefront, we wanted to take a moment to spotlight our favourite hotel in the Caribbean, Curtain Bluff in Antigua.

A member of Virtuoso since 2002, this award-winning luxury resort generously provides guests with an authentic Caribbean experience. Their delightful accommodations offer uninterrupted ocean views together with premium all-inclusive activities and dining.

Guests visiting Curtain Bluff continue to be infatuated by the genuine warmth of the remarkable team who anticipate the needs of each and every guest in a charming way, which is testament to the owners and management who have been at the helm for more than 40 years.
