

REBECCA RECOMMENDS

Inspirational destinations & properties of excellence

Dear Friends,

Well, what can I say about this past year other than.... INCREDIBLE.

We all adore this wonderful industry that we are privileged to be part of, and it warmed my heart to see travel returning at such a phenomenal pace this year.

Your continued support means so much, and we hope you will take a moment to watch this short video with festive greetings sent to you from Rebecca Recommends and our clients.

2022 has been full of adventure and we are thrilled that several of you were available to join us on insightful and educational journeys through Israel with TRAVEX, Sri Lanka with Ventours International and Resplendent Ceylon, Turkey with Sea Song, Greece with Curated Greece and London with The Red Carnation Hotel Collection and Dream Escape. We also enjoyed very special weekends closer to home at the award winning Meadowood Napa Valley.

On a personal note, my trip to South Africa and Botswana with Charlie, organized by the Exeter Safari Company and Red Carnations 12 Apostles and Xigera Safari Lodge, was just awe inspiring, so much so, that we are doing it all again in spring 2023.

We are sure the new year will bring us many exciting new travel adventures - I can't wait to hear all your stories.

Sending very best wishes to you and your loved ones for a fabulous festive season. Thank you for making this past year so memorable for all the right reasons!

Happy New Year!

With fondest wishes,

Rebecca
