

Rebecca Recommends Welcomes Kazazian Cruises

Experience the Life of a Pharaoh on the Nile River

Dear Friends,

Rebecca Recommends is proud to announce our representation of [Kazazian Cruises](#) and the availability to offer your clients exclusive, charter sailings on the Nile River.

Kazazian Cruises boasts the most luxurious small-boat Nile cruise experience available, with two spectacular yachts plying these storied waters. Along the voyage, guests are treated to the mainstays of the ancient civilization that rose along the banks of the Nile, from Aswan to Luxor, and vice versa. Temples and tombs, ancient cities and Nubian villages paint a mesmerizing picture of Egypt each day. For your clients eyeing this true travel milestone, a Kazazian Cruise voyage is a must - a chance to explore Egypt's ancient wonders while relishing the opulence of a private yacht on the Nile River.

Rebecca recently had the distinct pleasure of sailing with a group of US travel advisors in conjunction with [Exeter Safari Company](#) on Kazazian's Arax, and to describe it as a transformative experience would fail to encapsulate this legendary cruise along one of the world's most iconic rivers.

The Kazazian Legacy

Kazazian Cruises' second luxury yacht, Arax

With an eye attuned to creating life-long adventures, exploring new frontiers, and exceeding expectations, Berge Kazazian built one of the first cruisers to sail along Egypt's fabled Nile River. Now, 30 years later, the second generation of the Kazazian family upholds this legacy, offering an unparalleled luxury adventure while maintaining the family's core values and approach to upscale, once-in-a-lifetime travel experiences.

Often, Kazazian vessels are the only privately chartered boats on the Nile River - and they are certainly the most exceptional. Through customizable, exclusive itineraries, your most discerning clients are immersed in modern-day Egypt's compelling allure of bustle and balance, peace and cultural riches.

The staff of 24 includes four chefs, an accomplished team of waiting staff, and a highly trained spa therapist.

Dining on the Kazazian yachts is decidedly gourmet, featuring Egyptian, Mediterranean, and international dishes prepared from the finest and freshest ingredients. Kazazian private charter cruises aboard the Arax and Berge are available in three-, four-, and five-night itineraries, although there is flexibility for a shorter or longer experience at certain times of the year. While Rebecca’s recent experience aboard the Arax was for three nights, she recommends a longer sailing to be fully immersed in the ancient civilizations and beauty of the iconic Nile River.
