

THE VILLA

at Blanket Bay

A TRANQUIL HAVEN

Experience Blanket Bay – one of the world’s top luxury lodges – from your own private sanctuary, and share an unforgettable stay with family or friends.

Look out to the Southern Alps and Lake Wakatipu from your hideaway perched on a hilltop above Blanket Bay’s expansive grounds, Lodge and chalets. Follow the sun from behind the snow-tipped peaks, onto the lake’s turquoise waters and soak up the final evening rays from the loungers on your private terrace or the twin hot tubs on the lawn.

This is The Villa at Blanket Bay – your four bedroom alpine retreat – offering absolute luxury and privacy for your stay.

ON THE EDGE OF PARADISE

The Villa is just a short walk or buggy ride from the Main Lodge at Blanket Bay, which sits on the shores of Lake Wakatipu, just 40 minutes from Queenstown and on the edge of the idyllic valley known as Paradise.

Nestled in a majestic alpine setting, you'll encounter an unrivalled luxury experience at Blanket Bay combining five-star facilities with world-class hospitality, delivered in a distinctly warm New Zealand way.

INSIDE THE VILLA

Enjoy time to yourself in one of the Villa's four King-sized suites, complete with a cosy stone fireplace and living area, decadent bathroom and spectacular views, or come together in the grand central atrium which offers multiple living and dining areas in a truly unique setting.

Your onsite chef will prepare exquisite dishes for you at any time of the day from inside the Villa's full commercial kitchen, using fresh, local produce from around the region. Dine privately with your group inside or outdoors under the stars – or join us in the Main Lodge for pre-dinner cocktails in the den or dinner in the formal dining room.

NATURE'S PLAYGROUND

Your secluded hideaway is on the doorstep of New Zealand's adventure capital – Queenstown – and some of the country's most stunning locations.

We can create a bespoke itinerary of experiences for you to enjoy during your stay with us, whether you're looking for adrenaline or relaxation. From horseback treks to fly fishing, scenic helicopter flights to jetboating, funyakking or river canyoning, we'll help you make the most of your stay at the Villa. Or, if you'd prefer an experience closer to home, choose a pampering treatment from our Day Spa or try out our gymnasium, heated lap pool, steam rooms, or jacuzzi while soaking up the magnificent surroundings.
