SAFARI LODGE ~ BOTSWANA

The Red Carnation Hotel Collection is returning to its roots: Africa, where it all began. Launching in June 2020 in Botswana's most unspoilt wilderness, Xigera ("Kee-jera") is, quite simply, a pioneer. This extraordinary new safari lodge, located in the Moremi Game Reserve in the heart of the Okavango Delta, is a bold new statement, reinventing what it means to experience the African bush. Inspired by a deep love of the Delta and its wildlife, Xigera offers just 24 guests a remarkable opportunity to explore the richness of this UNESCO World Heritage Site – at their own pace, in their own time, however they wish.

Meticulously designed to frame the breathtaking floodplains and riverine forests, the lodge is in complete synergy with its surroundings. Spacious suites clad in flame-torched timber look out onto lily-filled lagoons, providing a front-row seat to the theatre of the African bush. The interiors are filled with exceptional one-off works of art and design created by Africa's most globally recognised names, in collaboration with award-winning gallery Southern Guild, from gleaming hand-forged copper and steel consoles by Conrad Hicks, to Adam Birch's tactile creations carved right on-site.

Quietly surprising touches are everywhere, from the lily-inspired spa to the remarkable three-storey baobab sculpture overlooking the floodplain, offering the chance of a life-changing sleep-out beneath the velvet night sky.

This groundbreaking project is the first purpose-built safari lodge developed by The Red Carnation Collection, the pinnacle of a life's work creating extraordinary hospitality experiences. Founders Beatrice and Stanley Tollman and their family have spent the last 66 years creating and steering some of the world's finest luxury boutique hotels in exceptional locations. The Tollmans' devotion to detail lies at the core of everything; the effortless service, the deep human connection and the personal touches in every destination are what make the hotels so special. Xigera is no exception.

With 105 exceptional staff attending to 24 guests, the lodge offers an exclusive experience of unrivalled flexibility – there are no set times, no itineraries, just the unique chance of exploring the bush at a personalised pace. A transformative journey awaits, defined by Red Carnation's passion and art of hospitality.

HABITAT AND WILDLIFE

Xigera Concession

Xigera Safari Lodge is located in the Moremi Game Reserve with private access to a 4,500-hectare (11,120-acre) wetland paradise in the heart of the Delta. Situated on one of the Okavango's key waterways, Xigera Safari Lodge is surrounded by picturesque papyrus swamps and wooded islands and is renowned for its very high density of sitatunga antelope. The area is known for remarkable mammal sightings including red lechwe, spotted-necked otter, elephant, buffalo, reedbuck and tsessebe. Predators include lions, spotted hyenas and leopards. Guests are sometimes treated to close-up views of lions or leopards using the footbridge connecting Xigera to the next island! This concession lies in an International Birding Area (IBA) with many 'Okavango specials' being present, including Pel's Fishing-Owl, African Skimmer, Brown Firefinch, Greater Swamp Warbler, Wattled Crane, African Pygmy Goose and Lesser Jacana.

ECOSYSTEM

- A dynamic, fragile eco-system of 15 000 square kilometres, the Okavango Delta fans out over the Kalahari sand system
- The Okavango Delta was the 1 000th UNESCO World Heritage Site to be gazetted
- Approximately a third of the continent's elephant population roams northern Botswana each year
- Other species include buffalo, crocodile, hippopotamus, black and white rhinoceros, lions, cheetahs, leopards, giraffes, zebras, wildebeest, antelope, lechwe and warthogs
- There are over 550 bird species in Botswana of which some 444 are found in the Okavango Delta

GAME VIEWING

Xigera is a water- and land-based lodge offering guests the opportunity to experience both aspects of the Okavango Delta. During the annual flood, guests can boat across floodplains and along channels to reach islands where there are regular sightings of buffalo, elephants, zebras, giraffes, lechwe and sitatunga as well as numerous other Delta species. Hippos can be spotted on mekoro and boating excursions, along with an abundance of birds.

A decorative border surrounds the page, featuring various African wildlife and plants. At the top, there are illustrations of a leopard, an owl, a turtle, a fish, a monkey, a lion, a bird of prey, and a giraffe. The border is adorned with large green lily pads, white water lilies, and a green frog. The central text is set against a white background.
