BEST FOR A WINDOW ON THE WILD

Xigera, Botswana

Said to be one of the most luxurious safari lodges in Africa, Xigera features 12 spacious, glamorous suites with copper-bottomed bathtubs, indoor-outdoor showers and enormous verandas that connect you directly to the sweeping views across the plain. A spa, outdoor pool, delicious food and an impressive collection of African art elevates it further, while super-friendly staff and knowledgeable rangers ensure your safari experience is the very best it can be. Xigera's location in the Okavango Delta means it has direct access to spectacular wildlife, with lions, elephants and hippos all making regular appearances. If you're really lucky, you may catch a glimpse of endangered African wild dogs, which often hunt nearby. For the ultimate romantic stay, head to the Baobab treehouse, where you can sleep under the stars in splendid isolation. xigera.com
