

Park Hotel Kenmare

IN THE HEART OF *Kenmare*

Gracious Elegance Since 1897

“One of the world’s most renowned hotels”
– New York Times

Dating back to 1897 heritage and luxury are combined at the Park Hotel Kenmare to create a gracious home that is yours to enjoy.

A vibrant hotel with wonderful facilities like our Deluxe Destination Spa SÁMAS, 25m Lap Pool, Cinema and Daily Lifestyle Classes, but a place where we are not ashamed to be old fashioned. This Victorian landmark, with its splendid views over the glistening waters of Kenmare Bay, the ever-changing light of the Cork and Kerry Mountains, the adjoining 18-hole golf course, garden walks and the Heritage Town of Kenmare is home to one of Ireland’s finest hotels. It is a rare place where the decadence of the past is married with the modernism of today.

Luxury adorns each of the 46 bedrooms complemented by rich fabrics, original antiques, objets d’art and interesting art. As one guest commented *“It is the only hotel I have ever stayed in that I would quite happily never leave my room.”*

Superior Rooms enjoy sitting areas and are very comfortable for a short stay or guests travelling on their own on SÁMAS Solo programmes. Our Deluxe Rooms overlook the water and have spacious sitting areas. This category is perfect for an extended stay and those celebrating a special occasion. The SÁMAS Experience is without comparison leaving guests feeling totally rejuvenated. The foundation of this approach is you and your mindset when you arrive in SÁMAS. Enhanced by a “This Week” calendar of complimentary events and classes a visit to SÁMAS is always personally rewarding.

GOLF

Park Hotel Kenmare is adjacent to the 18 hole parkland Kenmare Golf Club. Golf is synonymous with Ireland as its coastal rolling sand dunes and coarse grass make for some of the world's most renowned links courses. The Park Hotel Kenmare is ideally located to enjoy a trilogy of these within a short drive. Waterville, Ballybunion and Tralee are world class courses offering uncompromising challenges leaving lasting memories. The sheer beauty and experience of each is legendary. A little further away but still within a days trip is the Old Head, Kinsale.

HILL WALKING

Kerry is famed for its walks nearly as much as it is for its warm people. Both the Kerry Way and Beara Way Walks shadow the meandering coast and offer a range of breathtaking routes of various lengths and challenges. Interlinked with mountain hikes to the peaks and valleys Kerry offers an unparalleled variety for all levels of fitness. Each Saturday morning we host a Hike of the Kerry Way for guests of the hotel. We invite you to join us and experience stunning scenery and breathtaking beauty only a few ever get to see.

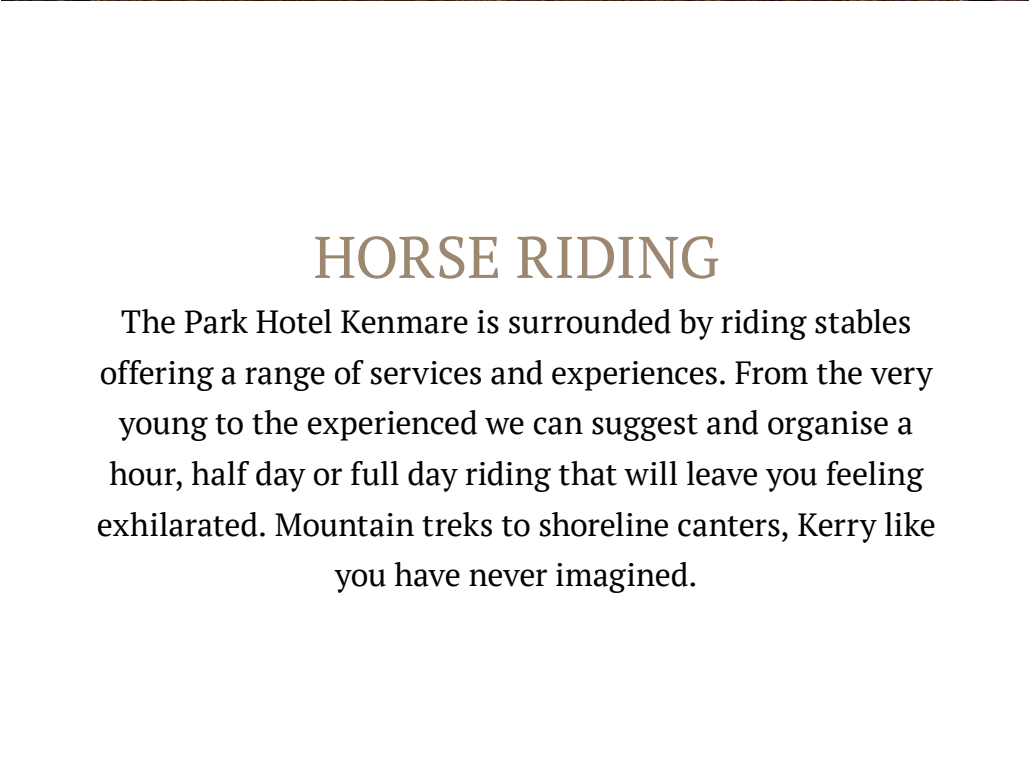

FISHING

There are quite a few lakes and flowing rivers locally favoured for their rich stock by our Ghillie. His expertise is sure to bring this passive sport to life with rewarding results that can be enjoyed by you that evening or for breakfast. They provide the finest fishing for the expert seeking to extend their range or for a wonderful introduction to the sport. Our Ghillies provide a fisherman's knowledge of the water, some local wit and stories as well as advice on the best tackle, flies and strategies for an unforgettable experience.

LEARN TO SWIM

The art of swimming is a goal many crave for but few can find a location to master the basics in comfort. Our 25mt Lap Pool is specially designed for teaching and our Swimming Instructor is world class.
